

THE VILLAGE OF WINDING TRAILS SPRING POOL NEWSLETTER NON RESIDENTS

To the Winding Trail Residents who are members of the pool at the Village of Winding Trails, we the trustees would like to thank you for your membership.

This past year we made a few improvements at the pool. The first was to re-roof the building. It has been 20 years since the last roof was installed. Second, we also replaced one of the columns because of deterioration. And lastly the filters were replaced on the pumps.

David McGinnis, trustee in charge of our pool, instituted a new identification card system last year. If you have paid your dues then you will be issued a card/sticker which will allow your entry to the pool. You will also be required to sign in upon entry.

We also installed WIFI at the pool. Information pertaining to it can be obtained from trustee David McGinnis.

Have a wonderful summer enjoy our pool.

Thank you,

The Village of Winding Trails Trustees,

Ray Edwards
